REMARKS

Applicant has corrected the "Amendment to the claims" section of the Amendment originally submitted July 30, 2004 to include the following "Claims 39-41 (non-elected)", and have renumbered the new Claims accordingly as Claims 42-45. Applicants have also changed the dependency within those claims accordingly.

Applicant believes that these corrections make the Amendment in compliance with the rules of 37 CFR 1.121.

Respectfully submitted,
